SUBMISSION OF REVISED RESPONSE TO
OFFICE ACTION OF APRIL 24, 2003

This is a submission of a revised response to the Office Action of April 24, 2003.

The original Response, filed September 24, 2003, was stated to be non-compliant on the grounds that it failed to provide a complete listing of all claims, that the listing of the claims did not include the text of all claims, and that each claim was not provided with the proper status identifier and, as such, the individual status of each claim could not be identified.

In response to the Notice of Non-Compliance, applicant has submitted the enclosed revised response, but respectfully

12/01/2003 WASFAW1 00000140 501039 10066311

01 FC:1251 110.00 DA

submits that the earlier submitted response was in essential compliance with the rules.

The only change to the listing of the claims in the revised response is the addition of the statement "1-22 (cancelled)" in the listing of the claims. New claims 23-32 include the proper status identifier, i.e. "new", just as they did in the originally submitted amendment.

For the above reason, it is respectfully submitted that the prior response was in essential compliance and that the claim status was clear. For that reason, it is respectfully submitted that a compliant response was timely submitted, and that no extension of time or further revised response should be due.

However, if the notice of non-compliance is maintained, applicant respectfully submits the enclosed Revised Response, and hereby requests a one month extension of time to respond to the Notice of Non-Compliant Amendment. Applicant hereby authorizes charge to deposit account 50-1039 for the one month extension of time and an extra copy of this submission is enclosed for that purpose.

Respectfully submitted,

Date: November 21, 2003
